6. President’s Report

The President commented that most things were covered elsewhere on the Agenda; that there was a two-week extension of the date for submissions on the DA for 50 Erith St, and that the Committee was working on a detailed submission. The President thanked Andy Carnahan for organizing the motel meeting to discuss the DA.

The President called on Denise Sydenham to make a presentation on the destruction of indigenous plants and animals in the Bundanoon area, not only by developers, but by local residents not doing enough about it. BCA agreed to have a look at her notes and possibly formulate a submission about them.

7. Treasurer’s Report (tabled)

The Treasurer spoke to her report. She pointed out that the apparent sharp decline in funds in the working account was due to the payment to Yamaha for the piano being made; the funds will be replenished when the large donations for the piano come in.

8. Matters referred on by Committee

- (a) Arrangements continued to be considered for some Sub-Committee Convenors to have “view only” access to BCA bank account.
- (b) Updating/replacement of website: the Secretary reported that this was moving ahead quickly; three quotations had been obtained, and a list of “pages” had now been drawn up. The current website is to be updated in essential parts next week as an interim measure.

9. Sub-Committee Reports (tabled)

- (a) Membership: the Convenor reported that there was a total of 479 members.
- (b) Responsibility for grass-cutting of Roy Terry Reserve: John White reported that the issue had been resolved, and the WSC’s Water and Sewerage Department would undertake grass mowing on a regular basis from now on.
- (c) Winterfest: Lisa Stuart spoke of a need for a change in the Sub-Committee and her decision not to continue as Convenor. The President thanked Lisa and her team, noting in particular the number of young people who attended this special event. The President called on Ralph Clark to speak: he also congratulated Lisa Stuart and the Winterfest Sub-Committee, and then on behalf of Elizabeth Cranny and the Lions Club presented two cheques to BCA, one for \$2000 for Winterfest, and the other for \$2000 also for the Leaver Park Group. The funds were the result of profit from the mulled wine stall run by the Lions Club at Winterfest. The gesture was warmly received by the members present.
- (d) JCG Food and Wine: Ralph Clark drew attention to the arrangements, now finalised, for a food and wine trip to Mudgee in October.
