## 7. Subcommittee Activities (or updates)

a. **Hall Convenor** - The Memorial Hall is looking grand! Over the Christmas break the Hall was getting ready for another busy year.

We have a wonderful new Hall Booking Volunteer Bobbi; new safer stairs to the loft; two emotive pieces of local artwork kindly donated by the artists hanging in the Supper Room; touch ups of peeling paint in the Main Hall; repolished floors throughout; a newly refreshed and painted white desk in the Supper Room by Timothy; a newly secure handrail at the front entrance and now at last, the outside crumbling stairs to the projector room have remedial works on the way starting 11 March. Please note this means that the Hall is out of bounds Monday to Friday 9 am to 5 pm until 29 March inclusive.

We are also looking for new Hall Willing Workers (HWW) who can volunteer a week every month to help with the Hall checking of toiletries, the odd forgotten rubbish, checking lights, doors locked and all the behind the Hall things that go on unseen (until it isn't). If you can help as a HWW please email me and I can pass you details on to Rosemary Page who looks after the HWW roster. Welcome to 2024.

- 8. Any Other Business or Announcements?

# President's Report 15 February 2024

January was quiet for the BCA Committee and Members with no Committee or General Meeting held in January. It was a welcome break for the Committee.

We now gear up for the 2024 AGM to report on 2023. While the final figures will not be available until our Auditors have competed their reports, our financial result is good provided it is seen with some interpretation. Our Commonwealth Bank Winterfest Grant was fully expended in 2023, adding about \$21,000 to the expenses of the BCA. If this is removed from the Income/Expense statement, we expect to trading surplus of approximately \$6,000. This surplus is thanks to the Garden Ramble which provides the most significant income to the Association.

Our Hall has been upgraded during the break and the Hall Convenor reports on this. I am happy especially with the much safer loft access ladder that reduces a significant risk to members and hirers.

The external stairs to the old projection room will also be repaired, allowing access to interested parties. It may well be an item that will be placed on the State Heritage Register as there are very few, if any, rooms like this left in the State.

The Annual General Meeting will be held on Thursday March 21<sup>st</sup> in the Hall. As 2023 has been my third term as President I cannot stand next year under our Constitution. I will be glad to pass the baton.

# **COMMITTEE UPDATE – February 2024**

The Committee met on 1 February as there was no January meeting. Below are items provided for information or comment that were discussed or decided that are not in the business for this general meeting. If you have any questions or would like clarification, please raise this at the end of general business.

Dean Carey and Donna Andrews have joined the Committee for the final two months of the current Committee term. Welcome Dean, who has done a great job directing MPT events and running the light and sound for events. Welcome Donna who is a familiar face with Rex Cinema.

Picnic Park and opposite Bundanoon Hotel – we are still waiting to hear back from ARTC about a modified licence and also from Council about a tri-party agreement or Council taking on the lease.

Good Yarn income – the Committee endorsed a proposal from the Hall Convenor and President that the income from Council for the Good Yarn be retained for Repairs and Maintenance for the Hall. There are items that as lessees fall under our responsibility.

Flag protocol – the President met with the Bundanoon RSL Subbranch to clarify flag flying protocols at the Southern Villages War Memorial. The Subbranch is seeking clarification at a regional meeting and resolved for now that the arrangement continue with the BCA raising flags on prescribed days as notified by the Commonwealth Flag Officer, except for ANZAC Day and Remembrance Days where the RSL will manage the flags. (Update 11 Feb 2024 – The Bundanoon Subbranch have advised that their members are not in favour of flying the Aboriginal and Torres Strait Islander flags at the Memorial. BCA President has advised the RSL that the BCA will not fly flags until this can be clarified.)

Planter Boxes – Council have advised that their donated tulip planter boxes (ours in front of the Old Goods Shed) can be used by the Green Team or returned. The Green Team have agreed to maintain the planters.

Microsoft Not-for-profit licences – we have an additional 10 Microsoft Office 365 E1 licences – these are full Microsoft Office licences with 1TB of OneDrive storage. If convenors have a need/use for these please contact the President.
