Wingecarribee Shire Council  
P.O. Box 141 Moss Vale NSW 2577

Dear Ms Prendergast,

**Proposal to Council for upgrade Bundanoon Community Swimming Pool.**

In March, 2017 the Bundanoon Community Association wrote to you about a proposal to upgrade the Bundanoon Community Swimming Pool by erecting a moveable covering to allow patrons to use the facility in all weather conditions.

We have been informed by Council that all pools in the Shire are currently under review and that a meeting within Council is imminent. We have prepared a short proposal which is attached for your consideration.

We request that you place the documentation before the relevant parties considering the outcome of swimming pools within the Shire. We also urge you to support the BCA in its efforts to secure funding from government and institutions by way of community grants, thereby relieving Council of the financial burden of commitment.

We look forward to your earliest response to the outcome of the deliberations of Council over the future of swimming pools, and particularly to the submission which is enclosed.

Geoff Duncan  
President BCA  
Henk Janssen, Convenor Bundanoon Community Pool Sub-Committee.
